January 1, 1931.

I went to the Liberty Theatre on West freight St. in response to a call from Mr. Neithald, the manager, that his safe had been tampered with during the night. Upon investigating I learned that some intruder had removed the pins from the hinges on a side-rear door and gained entrance to the building in that way. He then made his way through the theatre building up to the manager's office on the second floor. A portion of the glass in the locked office door was then broken out allowing a hand to reach in and unlock the door. Once inside, the thief went to work on the safe and sawed off the knob of the combination dial and also pried off the dial itself. There was considerable hammering done on the door around the combination but the door did not appear to have been opened after the dial had been pried off the spindle which was then exposed was struck by a hammer repeatedly until it was driven inside the safe allowing the tumblers to become loose.

This job admitted to by Glenn Cumerick, Frank Patella and Raymond Murley all arrested on Jan. 11th & 12th. Pencil valued at \$1.00 was recovered and returned by me to the book-keeper at the theatre. I noticed fine particles of red paint on the dial which appeared to have come from either a chisel or bar used in prying it off. Officer Flynn nor myself were unable to find a single particle of any value on the safe or any part of the building. There was nothing taken from the building except an "Eversharp" pencil which lay on the book-keeper's desk in the office. This pencil was valued at \$1.00. Mr. Neithald engaged John Cline to open the safe which he did and found its contents intact. There was about \$600.00 in it.

January 1, 1931

I investigated a report from Mrs. Mary Maddalone #822 George St. that someone had fired some shot through a couple of her bed-room windows about midnight on New Year's Eve. I learned that Pat Cerella of 807 George St. had some friends at his home at midnight and they had taken his shot-gun outside and fired it. They were probably careless in their aim and some of the lead pellets struck the side of Maddalone's house and windows. Cerella agreed to pay for the damage to the windows and Mrs. Maddalone was satisfied.

January 3, 1931

I went to the home of Mrs. Otteman, 1333 Evergreen to investigate a report by Officer Walter Brown that some of the rear windows had been tampered with. I found that nine windows on the rear, side and front showed marks where someone had attempted to pry them up. One window on the front porch had the catch broken in two and could be raised. I entered the house in company with Mrs. Van Baskerk who has a key to it and she said everything appeared to be just as it was when the family left. We made the windows secure.

January 3, 1931

In company with Sgt. Brown, Officers Erber and Vail I raided the store of Chas. Quartersman, 445 West Third St. at 9:00 p.m. We found only James Harmon and Julius Langi in the store and arrested them as disorderly persons. No liquor was found but we confiscated a half dozen pair of dice, numerous old lottery tickets and a pocketed dice table.

January 5, 1931

About 4:45 p.m. Officers Flynn, Mansfield and myself answered a phone call that someone had taken gas at #114 Depal Park. We found a man lying on the barbershop floor of Alex Stells place of business where he had been carried by two gas employees. We recognized him as Simon Albert Kline who lived with his wife at #114 Depal Park. A Mrs. Hoffman living next door to them had smelled gas when she arrived home about 4:40 p.m. and notified the Gas Company. They sent M. H. Houston a service man to the scene and he turned the gas off in the cellar and in company with H. Sandler the owner of the building opened the apartment door and found Kline lying on the kitchen floor. He was not fully dressed and had apparently not left the house during the day. The two men carried him to the barbershop to the fresh air and started to apply the prone pressure method of resuscitation. I asked the Fire Department to respond with their pumpmotor and they did. Dr. Lee Wellington came with the ambulance and after a half hours work the doctor said it would be useless to continue their efforts any longer. He said he had apparently been dead for three or four hours. His wife said that he was 30 yrs. of age and had been feeling despondent for about a week being out of work and a payment due on his car. He left a note addressed to his Father, Mother, Brothers and Wife asking forgiveness for what he was about to do.

January 6, 1931.

I, along with Officer Erber arrested Carmelia Vinci, 243 East Third St. charging her with maintaining a disorderly house at that address. Although a sale was made previously we did not find any liquor after a thorough search.

January 6, 1931.

Along with Sgt. Brown, Officers C. Flynn, T. Bray and J. Waldron I arrested Josephine Floyd, 663 South Second St. and charged her with maintaining a disorderly house at that address. We confiscated about a gallon and a half of liquor and also arrested the following parties whom we found in the house; Wainsborough Jackson, Edward Edmondson, Eugene Rison, Robert Ford, James Brooks, Chas. Quartermann and Edith Jackson.

January 6, 1931.

I arrested Chas. Quartermann at # 400 Cleveland Ave. on a warrant charging him with maintaining a disorderly house.

January 7, 1931.

I answered a call from Mrs. Sage, Superintendent of the apartment house at # 515 West Seventh St. and learned that on the preceding day a man had tried to get into the apartment of Mr. Berle in the this building. It is apartment # 206 and located on the second floor in the rear. It was about 6 a.m. and the intruder evidently used a key as Mr. Berle heard a slight noise at the door and as he went to investigate he heard someone running down the hallway. There were no evidences of any jimmy marks on the door or lock.

January 7, 1931.

Doctors Sebold and Hoffman reported to me that a few nights previously someone had stolen two of their signs which hung on the pillars of the porch at # 302 East Seventh St. The signs bore each of their names and were about 18" x 6" and covered with glass. I searched the neighborhood well but could not find any trace of them.

January 8, 1931.

I arrested Thomas Duffy from Police Higgins, South Plainfield on a warrant sworn out by Waldo Kennedy of Plainfield who charged him with issuing a worthless check for \$45.00.

January 10, 1931.

I arrested Felice Procini, 621 South Second St. on a warrant sworn out by Angelo Gerondola of Newark, N. J. who charged him with issuing two worthless checks for \$309.50 and \$186.00 respectively.

January 10, 1931.

I went to the home of Mrs. Stevens, 810 Hillside Ave. in response to a call from her that she found a small rear window broken and thought someone may have gotten into the house while she was away. The hole in the glass appeared to me to be a bullet hole and in questioning different youngsters in the neighborhood I learned that William Pittington who lives on Webster Place in the rear of Mrs. Stevens had been shooting with a small rifle at a target in his yard and some of the bullets had glanced from the protecting backboard into the windows. The boy paid for the broken windows and Mrs. Stevens did not wish to make any complaint.

January 12, 1931.

I arrested Raymond Munley, 541 West Fifth St., Plainfield, N. J. and charged him with burglary in breaking, entering and carrying away a safe from the National Grocery Store at #432 Watchung Ave. He was accompanied by Frank Patella and Glenn Emmerick who were arrested yesterday. He was also charged with aiding in taking the safe of the A. J. Beck Shoe Store, 112 West Front St. to the cellar of Patella's home in North Plainfield and aiding in drilling it open and stealing \$438 from it. He admitted his part in entering the Liberty Theatre, 432 West Front St. and attempting to break open a safe there. He also confessed to entering a fruit market in Westfield and aiding in opening the safe and taking \$368 from it. He received only \$17⁰⁰ as his share however.

January 13, 1931

Along with Officer E. Flynn I investigated a call from Benjamin Cantor, 1112 Plainfield Ave., that a man had been found dead in his house. I learned that Mr. Cantor upon going up to the room of a boarder, Abraham Michaels, to arouse him to go to his work at about 5 p.m. found him dead in bed. He called Dr. Schenk who examined him and said that he had been dead for about three hours and had succumbed to a heart attack. Michaels had been in good health and was working nights in the Jersey Silk Mill. He was about 56 years of age. His brother living at 445 West Third St. was notified.

January 16, 1931.

I visited Edward Baker an employee of M. C. Van Andsdale's at his shoe store on East Front St. and learned that on the preceding day between the hours of 3 p.m. and 6:30 p.m. he lost a valuable role from his car either in the rear of the store

or along side of the Park Hotel. The robe was quite thick and had short stiff hair on one side with a green plaid effect and the same short hair on the other with a red plaid effect. I questioned numerous boys that collect wood about the rear of the stores but was unable to get any trace of it.

January 17, 1931.

I answered a phone call from The Times Square Auto Supply Store, 109 Park Ave., saying that a man had taken \$20 from the cash register and walked away. I learned that a man had entered the store about 3:45 p.m. and asked the manager, Robert A. Pallas if his register worked satisfactorily. He said he was from a cash register firm in Elizabeth and travelled around repairing them. Pallas said that the ribbon printed the figures poorly and the man agreed to repair it. Pallas left the vicinity of the register for a few moments to wait for a customer and in that short interval the man extracted two ten dollar bills from the register. He fixed the ribbon so that it worked well and walked from the store without asking Pallas for any pay for the work. Pallas looked in the register in about fifteen minutes and missed the money. He described the man as about 40 yrs. old, 5' 9" tall, stocky build, 175 lbs., fair complexion and wore a greyish overcoat of light weight material that looked like a rain coat. I searched around the town and notified the other Officers about the man and his actions but could not get any trace of him.

January 21, 1931.

I arrested Paul Jablon, 345 Watchung Ave., 19 yrs. old from 428 Watchung Ave. on complaint of Andrew McDonough, 211 East Front St. who charged him with taking money from the safes in his office while he (Jablon) was acting as janitor of the building. Jablon admitted taking \$30 on one occasion, \$20 on another and \$16⁰⁶ on another, making a total of \$56⁰⁶ in all. He opened the safes by turning back the combinations.

January 22, 1931.

Mr. N. Berger, 121 Watchung Ave. reported to me that on either of the two preceding days someone stole a black seal coat with a grey squirrel "Johnny" collar and grey squirrel cuffs worth \$125.00 from a rock in the front of his store. He suspects two women from South Plainfield who come into his store quite often. Their actions, or

rather the actions of one of them were suspicious but not enough to warrant arresting them. I will endeavor to keep a close watch on them. The coat was between a size 36 & 38.

January 26, 1931.

Peter De Vico, 128 Johnston Ave. reported to me that someone had stolen a pair of shoe hockey skates from his garage. I learned that a boy on East 41st St. named Eugene De Rose had taken them and I recovered them and returned them to De Vico. He did not wish to press any complaint against De Rose.

January 26, 1931.

I went to the store of Henry Bufano 319 Plainfield Ave. in response to a phone call and learned that someone had broken the glass in a side window and entered the store and after searching around but taking nothing they climbed out through a toilet window. It appeared to be the work of boys.

January 28, 1931.

Sgt. Nolan and myself arrested John Jackson of Mountain Boulevard, Watchung from Whippleberg Hospital on a charge of drunkenness. He had been brought there by someone who found him lying on the street and thought that he had been struck by a car.

January 29, 1931.

I, along with Officers Conshay and Peterson arrested Harold Jackson, 23 Warren St., Bound Brook from the office of Miss Helen Gauld, 303 Park Ave., on a charge of being drunk and disorderly.

January 29, 1931.

I investigated further the finding of the body of a child in a yard at the corner of West Sixth St. and Division Sts. I learned that it was a full nine months colored female child of still birth, the cause of dead birth not being known. The child was entirely naked and wrapped in a small portion of a bed sheet and a table center-piece of inexpensive material. Its head was covered with a girls silk skating hat of pure white silk and of the skull cap type. It was then placed in a grey ten cent paper shopping bag and dropped just inside the fence near some vines on the Division St. side of # 438 West Sixth St. It was seen there by the owner at 11 o'clock, the day before but not disturbed so it must have been placed there on Monday night. I questioned the people in the surrounding houses but no one remembered seeing anything of a suspicious nature there.

January 30, 1931

I arrested Everett Weigand, 352 Summer Ave. on a warrant sworn out by May Gabler of 1003 East Second St. who charged him with issuing three worthless checks for \$15.00 a piece.

February 2, 1931.

I arrested Alwyn Lowe, 74 Myrtle Ave. North Plainfield at North Plainfield Police Hdqtrs. on a warrant sworn out by Henry Drier who charged him with issuing a worthless check for \$16.23.

February 4, 1931.

I arrested Allen Mildrum, 407 Manor Rd., West Brighton, Staten Island on a warrant charging him with the abandonment of his four children.

February 5, 1931.

I investigated a report by Officer Vail that some dynamite had been found under the rail-road bridge on Richmond St. I learned that when Frank Annella, 702 St. Marks Ave., a Public Service construction gang foreman had passed under the bridge he noticed a small bundle wrapped in a newspaper lying near the curb line on the west side of the street. He unwrapped the bundle and noticed eleven sticks of Atlas dynamite and four electric fuses. He notified Police Headquarters and Officer Vail brought them to the Police Garage. Unable to find any trace of who left them there I turned them over to Newton Smalley who destroyed them.

February 5, 1931.

I investigated a call from Wm. Lancaster, 116 Front St., Dumellen, N.J. who manages the Hydol Gasoline Station on West Front St. near the City Line that two men in a blue Chevrolet coupe #E-59361 N.J. had a short time previously driven into his station had a quart of oil put in their motor. One of the men remained in the car while the other went inside the station to pay for the oil. He tried to confuse the manager by switching several bills and the manager called Police Hdqtrs. The man ran out then and drove away leaving behind him a five dollar bill. Sgt. McGinley broadcast the alarm for this car but it was not picked up. The man who went into the station was 5'5" tall, medium build, light complexioned, wearing a brown camel's hair overcoat and light brown hat and appeared to be an Italian. The other man wore a grey hat and a dark overcoat.

February 5, 1931.

I investigated a report from Mrs. Katherine Brewer, 1364 Marlborough Ave. that she lost her pocketbook somewhere on the street on Monday and had received her driver's license back through the mail from Bound Brook. She had about \$25.00 in money in it besides her license and a string of old fashioned beads. I checked up on a truck that Mrs. Brewer thought belonged to Brown and Keller and was in the neighborhood but this truck or driver did not go to Bound Brook.

February 6, 1931.

I went to the delicatessen store of Isaac Pepper, 113 New St. at about 11:00 p.m. in response to a call from him that he had been held up and robbed of \$19.75. I learned that a former bus driver by the name of "Artie" or Martin Whelan had been in the store for about half an hour and ran up a bill of fifty cents. He asked Pepper if he could change a twenty-dollar bill. Pepper said he could get the change and called in Harold Bawly, a bus driver who was waiting outside the store, asking him for change of twenty dollars. Bawly handed the change to Pepper and as he did so, Whelan snatched the money from Pepper's hand and pulled a gun from his pocket pointing it at Pepper's body and saying, "Give me that money." He also waved the gun at Bawly and then ran out the door and away toward Orchard Place in the darkness. He dropped a twenty-five cent piece on the floor as he ran. Robert Waldron of 318 McDowell St. was just outside the door waiting for a bus when this happened. Harold Bawly lives at # 1110 West Third St. along with father. Officers I searched the vicinity but could not find any trace of Whelan.

February 9, 1931.

I arrested Liberato Desiato, 1027 Arlington Ave. at his shop on East Sixth St. on a warrant sworn out by Pete Colucci of South Plainfield who charged him with issuing a worthless check for \$34.67.

February 9, 1931.

Angelina Bottone, 738 St. Mary's Ave. reported to me that while she was walking along North Ave. near Filmore Ave. with Katherine Perini of 727 North Ave. at 8:30 a.m. a man stopped the automobile which he was driving, got out and indecently exposed himself. She gave me the license number of this car (K-32366) and I found that his name was Frank Gubernot of Hamilton Boulevard South Plainfield.

As their description of the man fitted Gubernat I had the Battone girl sign a complaint and a warrant was issued for his arrest. He was picked up in South Plainfield and pleaded guilty to the charge when arraigned in court.

February 12, 1931.

I arrested Edward Brewer, 226 Chestnut St., Camden, N. J. at # 504 West Fourth St. on a warrant from Camden charging him with the non-support of his wife and four children.

February 15, 1931.

Three young bays, Angelo Coluntuna, 727 South Ave., Salvatore Dellumente, 822 East Third St. and Antonio DeMarco, 817 North Ave. reported to me at about 12:50 a.m. that while they were on their way home from The Recreation Building Alleys where they work two young men stopped but from behind a hedge at the corner of East Third St and Berkman Sts. and held them up taking \$21.00 from them. One of the hold-up men covered them with a gun while the other held a knife in his hand and searched their pockets. They appeared to be about 17 years old and one wore a sheepskin coat, checkered cap and was about 5'5" tall. The other was about 5'5" tall wore a brown overcoat with light stripes in the form of large squares running through it and also had a grey checkered cap after shooting the bays off the money they ran toward Filmore Ave. and the C.R.R. freight house. Yesterday a stout Jewish man about 55 years of age came to her house and asked Mr. Taub if he had a house to rent. He told him he did and showed him a house he owns on Halsey St. The stranger said he would take it but wanted to bring his wife up from Newark today to show it to her! At about 11:30 a.m. today a young man about 30 yrs. of age came to Mr. Taub's home and said he had some bargains in fur skins. He said he worked on a boat and smuggled the furs into the country. After he was in the house about 15 minutes, the old man who was around yesterday walked in and became interested in the furs. Another young fellow came in a few minutes after and stood by listening to the conversation. The old man from Newark said he would buy four fur skins from the young fellow and passed over \$5.00 to ~~Mr.~~ him in sight of everybody. He said he would buy the rest of them too if he had a chance to go to Newark and get the money. The fellow having the furs said he must have \$200.00 for the rest of them. After the old fellow went out apparently to go to Newark, the last young fellow that came into the house suggested to Mr. Taub that they both put up a thousand dollars apiece and pay the furs before the old fellow came back. Taub said he would go out and get the money and he left the two in the house with Mrs. Taub. He went to his son on West Eighth St. and told him of what was going on. They then called up Chas. Kurtzman, a son-in-law, and after a consultation decided to report the affair to Police Headquarters. Denny investigated a report of Mr. Parette of 752 East 8th St in regards to some furniture having been left in the adjoining Part of his house by a family that moved away I learned that the house is owned by Mrs. Jernard of East 3rd St. and she rented it to a man and wife by the name of Mr. & Mrs. Luigi Zannacci. They paid there rent up to April 15th. And moved out about the first of May. They left there furniture behind them and Mrs. Parette learned it was bought from the Watchung furniture Co. but not paid for. The furniture Company sent a truck to the house on last Saturday noon and took the furniture away however. Mrs. Zannacci owes Mrs. Jernard for a half month's rent. And I told her to make a complaint against him. if she desired to collect it she is now living an Elm place near the brook with Chink Miller.

May 5 1931 Detective J Denny investigated a report of Mrs Ross Kaine of 619 East 6th St. And she told me that on last Friday morning May the First at about 7:25 a.m. as her Daughter Sarah age 22 years old. was going to the Railroad Station a Colored man passing in the opposite direction on East 5th St near Franklin Place. indecently exposed himself to her. She did not see him on Saturday and on Monday morning her Mother walked with her and saw him again. he did not notice her then, and her Mother followed him and saw him go into J.D. Lizeaux Lumber yard on South Ave. She inquired as to his name. But did not get much satisfaction. On Tuesday morning, he passed her again with her Mother and grinned at her. He was in company of several others at this time. I followed the girl down Fifth Street at 7:20 a.m. this morning. But did not see him at all. He is a light Colored man about 6 ft tall. fairly well built. 30 years old and wore a gray suit.
